Monica Martinez  
COMMISSIONER

Steven A. Transeth  
COMMISSIONER

December 1, 2008

To whom it may concern:

On December 21, 2006, Governor Granholm signed legislation to promote competition for video service in the state of Michigan. This legislation is known as Public Act 480 of 2006, MCL 484.3301 et seq, the "Uniform Video Services Local Franchise Act." The Michigan Public Service Commission (MPSC) is the agency designated to implement the Act. This letter is being sent to all current video service providers who have customers within the state of Michigan. Since your company provides video service in this state, you are subject to the provisions of Section 12 (2) of the Uniform Video Services Local Franchise Act. Section 12 (2) of the Act states:

The commission shall file a report with the governor and legislature by February 1 of each year that shall include information on the status of competition for video services in this state and recommendations for any needed legislation. A video service provider shall submit to the commission any information requested by the commission necessary for the preparation of the annual report required under this subsection. The obligation of a video service provider under this subsection is limited to the submission of information generated or gathered in the normal course of business.

To assist the MPSC Staff in preparing the report for the Governor and Legislature, I have enclosed the annual survey for you to complete and return to the Commission. Please submit the survey to this office by **December 19, 2008**.

Your cooperation in submitting your survey responses to this office is appreciated. Should you have any questions regarding this information, please contact Ryan McAnany of my staff at (517) 241-6139 or [mcananyr@michigan.gov](mailto:mcananyr@michigan.gov).

Very truly yours,
